

CONDOR

Solid, stately and ever-so-elegant, this grand two-story home offers an ideal floor plan and the most designed amenities.

You will enjoy the many first floor conveniences as you enter from your two-car garage. A spectacular kitchen awaits, with adjoining breakfast area and large family room.

Venture up to the second floor and discover a well-planned three bedroom design including a private bath off the master bedroom.

NOTE: Floor plans and elevations subject to change. Elevations are artists' conceptions.
