

CRANE

This fantastic two story home features a dual access staircase accentuating the dramatic open foyer. The first floor contains a large functional kitchen w/island and breakfast nook, formal dining room, formal living room, powder room and large family room.

The second floor contains 4 bedrooms and 2 full baths. The master suite features a separate shower and tub, double vanities, and a huge walk-in closet.

The "CRANE" model also includes a 2 car garage, front porch, and full basement..

NOTE: Floor plans and elevations subject to change. Elevations are artists' conceptions.
