

HERON II

This modern Two-Story has an inviting wrap around front porch, which leads into an impressive foyer with an open area above the entry closet.

The downstairs includes a Formal Dining Room, Great Room, Breakfast Area, Kitchen with island, Powder Room and first floor Laundry.

The upstairs features a large Master Bedroom Suite and a third Bedroom with a circle top window and vaulted ceiling.

NOTE: Floor plans and elevations subject to change. Elevations are artists' conceptions.
